¹ Annual averages are based on quarterly survey week estimates.

² Total farm workforce, self-employed operators, and unpaid workers estimates were discontinued from July 2002 to April 2007 due to a change in the National labor statistics program.

³ Unpaid farm workers include family members and others that worked 15 or more hours during the survey week.

⁴ Annual averages are not available because the January 2007 Agricultural Labor survey was not conducted.

⁵ Beginning April 2007, pineapple is combined with sugarcane to avoid disclosure of individual operations.
